CONDOLENCES

The Food Bank Staff would like to send their condolences to Roberta Lenfers at Adam's Pantry in the passing of her mother this past week. All of our thoughts and prayers are with you at this time.

POUNDAGE REPORT FOR JULY

**Poundage Distributed to Agencies:
411,451 lbs**

If you have not received your letters carriers, please give us a call. We will work on getting your allocation to you.

We will be closed on September 1st to celebrate Labor Day. If you have an scheduled appointment, please call us and we will reschedule your appointment for another day.

SEPTEMBER IS

NATIONAL

**HUNGER
ACTION**

MONTH

**RAISE OUR VOICES
AGAINST HUNGER**

Hun- g r y
people in our community and across the
nation need our help now more than
ever.

People across the country will partici-
pate in events throughout the month to raise
awareness and, more importantly, take
action to alleviate hunger.

Think of the impact we can make in our
community if each of you did one event
during the month of September. Hun-
ger Action month gives you a perfect
venue for having a special food drive
for your pantry or soup kitchen. You
can raise awareness as well as food for
your program.

Please call or email Lory to let her
know what kind of event you are plan-
ning. We will post these on our web-
site.

Let's come together and raise our
voices to help the many families strug-
gling to make ends meet.

**Are you up for the Challenge?
Please visit our website:
www.tristatefoodbank.org
For more information about
making a "Pledge to Participate"
in the \$25 Food Stamp Challenge.**

During Hunger Action Month we are
challenging residents and community leaders
in the Tri-State to eat for one entire day and
spend only \$3.60. If you think that seems
difficult, try it for a full week spending just
\$25.00. This challenge is real to many people
who are forced to face it every day. This is the
approximate amount that a person who
receives food stamps is allotted. This
September we present this challenge to
community leaders who are daring enough to
try it.

As more elected officials, reporters, religious
leaders, and other concerned people take up
the Pledge to Participate in the Food Stamp
Challenge, we hope the media will cover their
experiences to bring awareness to the
difficulties related to this very real issue.

Recall Notices and Advisory

Mussel Products Advisory: Consumers are warned not to eat Mussel products from Bantry Bay Seafood due to **POTENTIAL** contamination. With azaspiracid toxins. Please be advised to throw out the Bantry Bay Seafood frozen cooked products with the "Best before end" dates ranging from January 23,2009 to November 15, 2009.. Azaspiacid toxins cannot be destroyed or neutralized by freezing or cooking, which includes boiling. They are also odorless, and tasteless. They are known to cause nausea, vomiting and diarrhea. Stomach cramps will also be associated with this illness. Please destroy any of this product you have.

Scheduling Appointments

when you are scheduling an appointment, please allow us two days in advanced notice. Also, there cannot be any add-ons at the time that you pick up your order. IF you cannot make your appointment, please call and cancel your appointment. This helps us be able to schedule other agencies in your time.

Inventory Matters

On any order that is either picked up or delivered, please inventory your invoice within 24 hours.

If you are over or short on an item, please call with any sort of discrepancy. This will help with your inventory and our inventory. Thank you for all your help in this matter.

Welcome to all the new agencies
who have become members of
the Gifts in Kind program.
